

Perlon Strap Fitting Guide

Sizing

Step 1:

Push the long end of the strap up through the buckle.

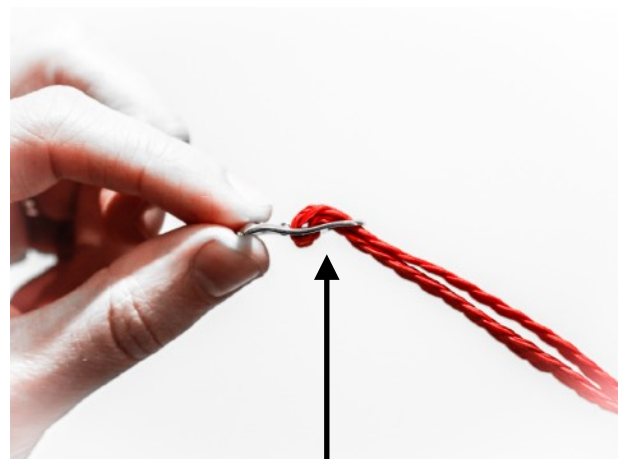

Step 2:

Pull down the kink you have created.

Step 3:

Pull the short end of the strap away from the buckle.

Step 4:

Adjust the strap so that it sits flush with the buckle.

Fitting

Step 1:

With the buckle and watch facing the same direction, push the end of the strap through the lug gap of your watch.

Step 2:

Now push the end of the strap through the opposite lug gap of your watch and pull the strap tight so that it is flush with the back of the watch case.

This fitting guide is for guidance only, we cannot accept responsibility for any damage caused to your watch as a result of fitting this strap. If you have any questions then please contact us.
